2015-2016

## TR Dance Registration Information

The registration process for Therapeutic Recreation dances has ever so slightly changed, but it can still be accomplished online. When you are at the newly designed main page of the Parks and Recreation website, you can now gain access to the dance registration on **the left side** of the page. Click on "Therapeutic Recreation Dance Registration" and it will take you to the registration form.

As in the past, registration is limited to the first 125 registrants. Registration closes either when the magic number of 125 is reached or at 5:00 pm the day before the dance.....whichever comes first. Please note that you can dial 410-638-4899 if you are unable to register online.

Check out page two of this edition for a list of the upcoming dances.
